

Technical drawing of a vertical structural element, likely a column or post, showing two views: a side elevation and a top view.

The drawing is divided into sections A through L, with dimensions and tolerances indicated.

Side Elevation (Left View):

- Section A: Top of the column.
- Section B: Upper part of the column.
- Section C: Middle part of the column.
- Section D: Lower part of the column.
- Section E: Base of the column.
- Section F: Base of the column.
- Section G: Base of the column.
- Section H: Base of the column.
- Section I: Base of the column.
- Section L: Base of the column.

Top View (Right View):

- Section A: Top of the column.
- Section B: Upper part of the column.
- Section C: Middle part of the column.
- Section D: Lower part of the column.
- Section E: Base of the column.
- Section F: Base of the column.
- Section G: Base of the column.
- Section H: Base of the column.
- Section I: Base of the column.
- Section L: Base of the column.

Dimensions and Tolerances:

- Section A: ± 0.5 mm
- Section B: ± 0.5 mm
- Section C: ± 0.5 mm
- Section D: ± 0.5 mm
- Section E: ± 0.5 mm
- Section F: ± 0.5 mm
- Section G: ± 0.5 mm
- Section H: ± 0.5 mm
- Section I: ± 0.5 mm
- Section L: ± 0.5 mm
