

BUREAU —

Esa Vesmanen, 2013

Это современный письменный стол, для письма, “навигации” (в интернете) или мечтаний (наяву). Он идеально подходит для небольших домов, где пространство становится полифункциональным. Bureau выделяется своей сдержанностью, благодаря способности складываться, скрывая внутри себя конфиденциальность своего пользователя.

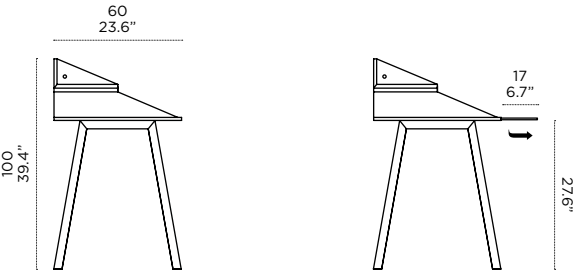

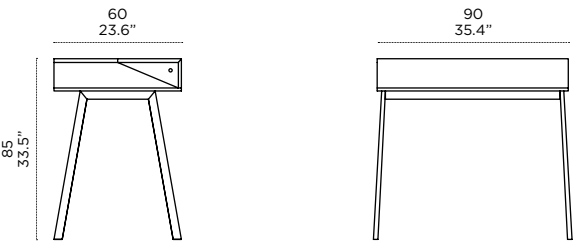

BUREAU — Bureau è un moderno scrittoio, per scrivere, “navigare” (in Internet) o sognare (ad occhi aperti). È ideale per le piccole abitazioni in cui gli spazi diventano poli-funzionali. Bureau infatti si contraddistingue per la sua discrezione, grazie alla caratteristica di richiudersi su sé stesso, celando al suo interno la privacy del suo utilizzatore.

BUREAU — Bureau is a modern desk, for writing, “surfing” (the Internet) or daydreaming. It is ideal for small homes where the spaces become poly-functional. Bureau in fact stands out for its discretion, thanks to the characteristic of closing in on itself, hiding inside the privacy of its users.

BUREAU — Bureau es un moderno escritorio, para escribir, “navegar” (por Internet) o soñar (con los ojos abiertos). Es ideal para casas donde los espacios se convierten en polifuncionales. Bureau de hecho destaca por su discreción, gracias a la característica de cerrarse sobre sí mismo, escondiendo en su interior la privacidad de su usuario.

Misure e finiture / Sizes and finishes

Al suo interno lo scrittoio ha una luce LED e un foro passacavi / Inside, the writing desk comes with a LED light and a cable hole
