

Alpha

7940

VIBIA

Design By Ramos & Bassols

Wall light designed by Ramos & Bassols with basic lines but great features. Available in matt white lacquer and chrome, matt black lacquer and chrome, matt graphite lacquer and black and matt white lacquer. Its methacrylate diffuser gives a warm, very cosy light. Alpha follows the reader's movements as it rotates and can be angled, opening up to 75° and turning through 360°, which also enables it to provide indirect lighting.
