

nh Wall

IP20   

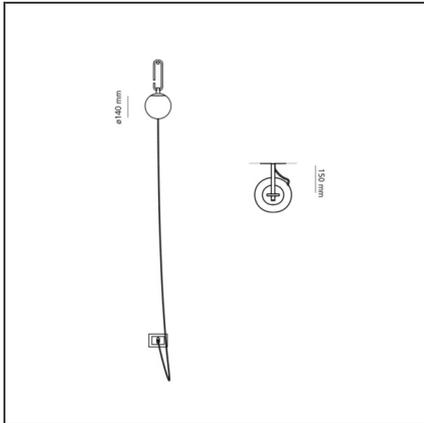

DESIGN BY

Neri&Hu

DESCRIPTION

nh continues the research on the dynamic interaction of experience, details, materials, form, and light that Neri&Hu are pursuing with Artemide. It offers a reinterpretation of the Oriental culture and tradition with a constant contemporary approach. nh is operated intuitively as a reference to the use of lanterns, and allows freedom in creating countless lightscapes. It is an essential, versatile element, suited to illuminate a variety of contexts in a simple and poetic manner. The basic element of nh, a white blown glass sphere with a brass ring, evolves with structures that support it and combine to bring light into space. The selected materials represent a perfect combination of tradition and innovation, as well as the expression of responsible and sustainable design.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1277010A	Material:	Blown glass, brushed brass
Colour:	Black/brass	Series:	Design, 2018 Artemide Collection
Installation:	Wall		
Environment:	Indoor		

DIMENSIONS

Depth: cm 15

SOURCES NOT INCLUDED

Category:	LED
Number:	1
Watt:	5W
Type:	2
Socket:	E14
Class:	A

LUMINAIRE

Watt:	5W	Delivered lumens output (lm):	257lm
Voltage:	220-240V	CCT:	3000K
		Efficiency:	80%
		Efficacy:	64lm/W
		CRI:	80
