

ENIGMA PENDANT

The fixture emits glare-free, soft, comfortable downward light. The shade design ensures even illumination of the surface. The matt upper surface diffuses the light, while the shiny lower surface ensures optimal reflection.

Shoichi Uchiyama

Shoichi Uchiyama was born and bred in Tokyo. Since the foundation of Shoichi Uchiyama Design Office in 1977, he has been committed to creation of lighting fixtures with glare-free indirect light that make objects beautiful, and allow people to feel the texture and depth of objects.

Product info
