

CLOCHE

Historical Archive, 1995 - 2014 Edition

Cloche is the makeover of Pudding, the hanging lamp from the FontanaArte Historic Archive designed in 1995. It comes in a range of soft, contemporary colors: pale and dark grey, mustard yellow and translucent white. When this latter version is switched on, the light creates a magical effect that enhances the design of the diffuser.

TECHNICAL SHEET

Hanging lamp. Plastic polymer diffuser, available in pale gray, dark gray, mustard yellow and translucent white. The inside of the lampshade is white. Transparent power cable. Black ceiling rose.
