CANARD—

Todd Bracher, 2011

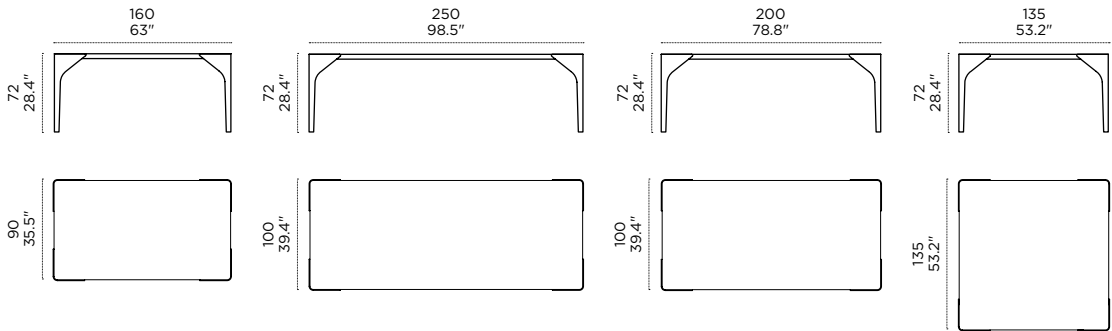

Система столов Canard характеризуется оригинальными ножками из изогнутого металлического листа, которые охватывают углы столешницы из армированного МДФ, обеспечивая структурное единство ультрасовременного дизайна.

CANARD — Il sistema di tavoli Canard è caratterizzato dalla gamba in foglio metallico piegato che avvolge nei suoi angoli il piano in tamburato di MDF rinforzato, conferendo solidità strutturale e un aspetto fortemente contemporaneo.

CANARD — The Canard table system features folded metal-sheet legs that surround the corners of the MDF-reinforced, panelled table top, creating a solid structure of highly contemporary design.

CANARD — El sistema de mesas Canard se caracteriza por la pata en hoja de metal doblado que rodea la mesa en MDF reforzado con sus esquinas, lo que le confiere resistencia estructural y un aspecto muy contemporáneo.
