

# Invisible Side Tokujin Yoshioka 2012

A piece of clean, linear, minimal design, the aesthetic synthesis of the designer's Japanese culture. Invisible Side is a light and elegant multi-functional product which can be easily transformed into a side table or a console table and is at home not only in the various home environments (from living room to bedroom) but can satisfy the various functional requirements of contract as well. Invisible Side today comes in two transparent versions (crystal and smoke) and two matte versions (white and black). This piece belongs to the collection of transparent items designed for Kartell by Tokujin Yoshioka.
