

NEMO

AQUARIUS MAJOR

Marco Colombo and Mario Barbaglia

Sealed lamp for indoor and outdoor, wall or ceiling mount. In addition to producing direct light, Aquarius is characterised by a secondary light output which can be projected onto the ceiling or wall, slightly tinted according to the colour of the body. Diffuser in moulded glass with prismatic surface. Structure painted in silver grey epoxy-coated steel, anthracite or in chromed brass. Rear diffuser in moulded transparent polycarbonate. Suitable for installation on normally inflammable surfaces.
