CONSTANCE GUISSET

Born in 1976, Constance Guisset lives and works in Paris. Constance Guisset is a French designer with an original story. After studying economics and business at ESSEC and IEP in Paris, followed by a year in the parliament in Tokyo she chose to focus on design. In 2007 she graduated from ENSCI - Les Ateliers and founded her studio. She quickly earned recognition through winning prizes such as the Grand Prix du Design de la ville de Paris in 2008, the public prize at the Design Parade in Villa Noailles 2009, and finally in 2010 both the designer of the year at Maison et Objet, and the Audi Talent Awards. Her different research paths have led her to work with

Petite Friture, Fontana Arte and Molteni amongst others for product design. In addition she has worked with Angelin Preljocaj, Established & Sons and Galeries Lafayette notably working with the latter on scenography, and has worked with video for Le Musée des Arts Décoratifs and the design Biennale in Saint-Étienne.

« My research finds multiple applications in scenography, object design and videos. I attach myself to creating light, animated objects in which the elegant fluidity creates surprise and evasion through dreaming. »

NUBILO
SOFA / ARMCHAIR

Edition : 2014 (sofa), 2015 (armchair)

NUBILO...

ACCORDING TO IT DESIGNER :

« NUBILO is a sofa and armchair serie composed of soft, round cushions, that can easily be arranged to ensure comfiness. Clouds, balloons, pebbles... NUBILO becomes a dreamlike destination, a stepping stone for our imagination. »

Designed by Constance Guisset, NUBILO is a sofa and armchair serie in which the multiplication of cushions evokes the image of a cloud. Softness, comfort, velvet, are accentuated by the association of three high quality materials. The cushions vary in their size and form and ask to be played with. Attached to the sofa structure by elastics and pressure they can be moved and repositioned according to desires.
