Para garantizar la estanqueidad del sistema Outrack, es necesario conservar instalados los protectores en los puntos de alimentación sin utilizar.  
To ensure optimal performance and IP Rating of the Outrack system, any power point that is not connected to a fixture / luminaire must be capped with the covers provided.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.  
Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.
