COPENHAGEN

A PORTABLE LAMP DESIGNED FOR BOTH INDOOR AND OUTDOOR USE

Normann Copenhagen is excited to introduce Yo Lamp, a portable indoor-outdoor design that was previewed earlier this year at Copenhagen's annual 3daysofdesign festival. Its immediately captivating, almost caricatured form offers a playful take on the traditional table lamp, merging a cylindrical base with a spherical lampshade for a perfectly simple, yet bold and sculptural silhouette.

Crafted using a unique rotational molding technique, the Yo Lamp's lampshade and base are seamlessly fused, resulting in an evenly illuminated glow that lights up the entire lamp – not just the shade. This method, combined with highly durable PE and ABS materials, ensures that the Yo Lamp thrives in both indoor and outdoor settings.

Available in two sizes, Yo Lamp operates for up to 80 or 100 hours on a single battery charge, depending on size. With three light intensity levels of 100%, 40%, and 10%, users can effortlessly adjust the ambiance to suit any mood or occasion.

The Yo Lamp will be available online and in stores from mid-November. Please note, delays may occur due to current circumstances.

Yo Table Lamp Small

H: 27 x Ø: 15 cm

Yo Table Lamp Large

H: 60 x Ø: 40 cm

Material: Polyethylene

CONNECTING PEOPLE AND SPACES

Since Normann Copenhagen's foundation in 1999, our ambition has been to challenge conventional thinking and make the ordinary extraordinary through great design.

By combining the craftsmanship, functionality and endurance characterized by our Danish design heritage with modern silhouettes and durable materials, we aim to create original products in a contemporary design that withstand the test of time. We believe in uniting people and spaces across the world and improving the quality of people's lives through the power of great design.

Our products combine functionality and design and accommodate the diversity of needs of modern life in residential and professional interiors alike.
