## BRUTUS LOUNGE CUSHION

Inspired by the Brutalist architecture movement of the mid-20th century, the Brutus collection comprises a dining chair, a lounge chair, a stool, and a coffee table cast in lightweight fiber concrete creating a unique surface texture increasing mobility. Each piece is hand painted to create a textured, unique surface. Emphasizing the fine balance between sharp architectural lines and a somewhat softer curve in the back and armrest, the Brutus collection is sculptural statement pieces with a compelling seating comfort.
