

Eucalipto

CONTENITORI ZONA GIORNO

2017

Antonio Citterio

Descrizione

Eucalipto è una serie di contenitori da ambientare nel living e nella zona pranzo o dove si desidera la presenza di un focus speciale. Eucalipto arricchisce la collezione B&B Italia di un'impronta sofisticata, apparentemente distonica, suggerendo accostamenti glamour inediti. Il vero coup de théâtre è la finitura acrilica levigata che si declina in tre varianti all'esterno con diversi abbinamenti per ante e cassetti.

Informazioni tecniche

Struttura esterna ed interna

pannelli in MDF e in particelle di legno con rivestimento continuo in resina acrilica lucida
