LOUNGE CHAIR OUTDOOR COVER

Designed for durability and style, this Outdoor Furniture Cover combines robust protection with a warm, earthy aesthetic that complements any garden or terrace. Crafted from high-quality polyester with a PVC coating on the outside, this cover is built to resist both water and UV rays, ensuring long-lasting protection against sunlight, rain, and other outdoor elements. The sand coloured fabric brings a soft, natural tone to outdoor settings, blending effortlessly with various environments. Featuring a flexible elastic band at the bottom, the cover fits our lounge chair collection, making it easy to secure and adjust to each style. Ideal for any outdoor furniture, we recommend using this cover whenever furniture is not in use to help extend its lifespan, preserving its look and quality for years to come.
