Descrizione

Sistema di sedute composto da oltre numerosi elementi, Michel Effe, evoluzione di Michel, si contraddistingue per il carattere essenziale. Proposto in due profondità consente di creare configurazioni lineari e componibili, dalla più formale alla più conviviale. Dal punto di vista stilistico, rivela un disegno rigoroso nel basamento e alla seduta con unico cuscino. Essenziale, ma assolutamente confortevole, Michel Effe elimina tutto ciò che è superfluo.
