End use: table for home and contract suitable to furnish: home, office, boardroom, conference, library, break-out area, restaurant, bar and canteen.

Materials, properties and details

Components

The **structure** is composed of 4 aluminium legs fixed with screws to a metal frame, composed of tubular bars, rectangular section, 50x20 mm, under the top. The structure is powder coated with weather resistant polyester varnish of the following colours: matt black (RAL9005) and traffic white (RAL9016). (The finishings must be considered as **simil-RAL**)

The **top** is in **high-pressure decorative compact laminate(s) (HPL)**: Sheet(s) consisting of layers of cellulosic fibrous material (normally paper) impregnated with thermosetting resins and bonded together by the high pressure process described below. The surface layer(s) on one or both sides, having decorative colours or designs, are impregnated with melamine based resins. The core layers are impregnated with phenolic based resins.

The finishings available are black and white

Gliders are made of plastic material, black coloured. The table has an adjustable feet.

Packaging is made of a cardboard box and protective elements.

Requirements

REACH is the European Union regulation that addresses the production and use of chemical substances. This product contains only substances compliant with the above-mentioned regulation and does not contain any "substance of very high concern" (SVHC).

Ordinary cleaning and maintenance

Any spills should be wiped up immediately with a clean, dry cloth.
Use neutral detergents only.
Avoid cleaning with abrasive sponges.

Extraordinary maintenance

Supplier suggested personnel only.

Precautions for use

Check periodically that the screws are correctly tightened.
Do not climb on the table.
When moving the table, make sure that it is lifted properly.
Contact with hot items can damage the surface.
In case of children use, please consider the supervision of an adult.
The product could change the colour and shade, if exposed to direct sunlight.
Outdoor products could be afflicted by atmospheric agents.

Arrmet srl is not liable for any damage that may result from the product misuse.

Ecology

Harmful substances

This product is not toxic nor hazardous to human health, animals or environment.

Waste disposal

(*) We use recyclable packaging wherever practical, and encourage all our customers to recycle the packaging supplied with the product. Please utilise the waste collection and recycling service operated by your local authority, or take the waste packaging to a suitable recycling point.

Warranty

24 + 2 months as referred to in 99/44/CE European directive.

This product datasheet comply with Italian regulation (D.Lgs 6th September 2005, n. 206 "Codice del Consumo"), on the subject of consumer information and implementation tool.
