

DESIGN BY SMITHMATTHIAS

HAY

NOC CLIP

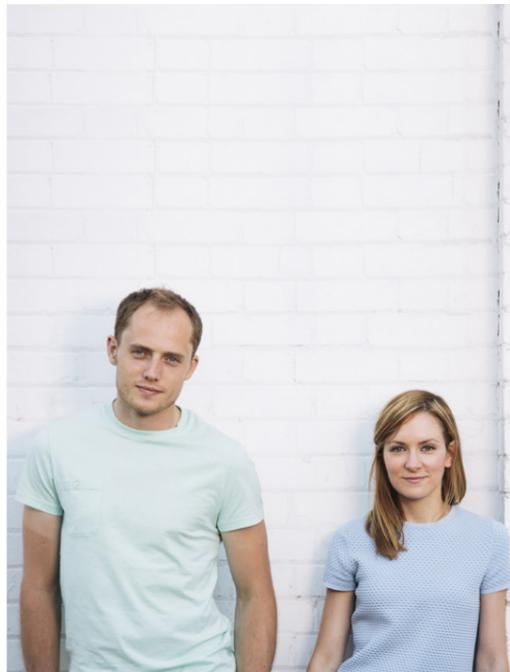

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- A flexible, engineered clamp light with character
- Inline on off rocker switch
- Suitable for both private and office environments
- Qualified for contract use
- For indoor use only

NOC CLIP DESIGN BY SMITHMATTHIAS

Noc is a universal clamp light with a faceted die cast aluminium shade. Its machined aluminium stem and clamp offers two points of adjustment and can be used on table tops, shelves and headboards.

London-based designers Jack Smith and Gemma Matthias take a responsible approach to their design work, which means that they design for the “long term.” Having worked for several architects and design practices, their shared knowledge of manufacturing and their passion for enduring products has led them to a utilitarian approach to contemporary design: they strive to create products that people can connect to, and that will be a pleasure to experience and use.

MATERIALS

LAMP STEM AND BASE
Machined aluminium

LAMP SHADE
Die cast aluminium

CORD
Silicone cord. Black for both colours

PRODUCT INFORMATION

DESIGN YEAR
2015

COUNTRY OF ORIGIN
China

COLOUR & FINISH

Please note that the colours are indicative

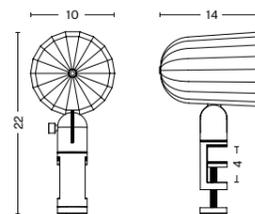

Dark grey

Off white

DIMENSIONS

NOC CLIP
Width 10 cm
Depth 14 cm
Height 22 cm
Max. clamp mouth width 4 cm
Weight 0,58 kg

TECHNICAL SPECIFICATION

RECOMMENDED LIGHT SOURCE
LED E14, 5,5W, 470lm, 2800K warm white
Bulb not included

DIMMABLE
No

POWER SUPPLY
220-240V AC at 50/60Hz

IP
20

CORD LENGTH
200 cm

SWITCH
Inline Switch

TEST SPECIFICATION OUTPUTS

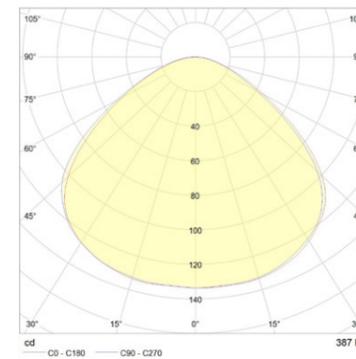

Photometrics and the test specification shown is taken using the recommended LED bulb fitted in the production luminaire

LUMEN (LM)
470lm

KELVIN (CCT)
2800K warm white

CRI (1-100)
80
