

## Arne Domus

Santa & Cole Team. 2015  
Pendant lamps

Originally designed for Santa & Cole's urban lighting catalogue and now produced by the subsidiary Urbidermis, Arne Domus and its reduced version Arne S Domus, is the domestic version of the traditional industrial spotlight, made according to 21st century standards. Sturdy and very efficient, it is perfectly adequate to its function. Its high resistance makes it suitable for both indoor and outdoor spaces.

Made from an aluminum body, a unique circular plate covered by an opaline diffuser hosts the LED light source. The lamp features sleek lines, geometric-inspired, and an exquisite light that makes visible the most subtle hues. Simple and colourful, it is a modest tribute to the spirit of Scandinavian design.

### General description:

Injection structure in white gray aluminum with matte finish.  
Acid-etched and tempered glass diffuser.  
Circular metal canopy with power supply incorporated.  
Suitable for outdoor use.  
Electric cable length: 4 m / 157.5"  
Suitable for Junction Box (American version).

### Approximate weight (unpacked):

6,2 kg / 13.6 lb

### Technical information:

Dimmable light source included  
Built-in COB LED

Rated input wattage: 33 W  
Operating current: 700 mA  
CCT: 2.700 K  
CRI: 90  
Lifetime: 40.000 h  
Luminous flux: 1.972 lm

Suitable for dimming 1-10V.  
Not included external dimmer switch.  
Suitable for outdoor use.  
Non-replaceable light source.

Input voltage: 90 ~ 305 Vac.  
(50 Hz / 60 Hz). According to destination.
