Circ

ceiling light

1. Product overview

Ceiling light providing soft, diffused illumination through satin-finished opal glass shades, which emit a gentle glow suitable for ambient lighting. Its design enhances contemporary spaces with circular P.E.T. acoustic panels, adding both visual appeal and acoustic comfort. The system allows the creation of different compositions.

2. Finishes and Materials

Shade: Glass

Canopy: 26 Black

Body: 97 Light Grey

3. Light Source & Dimming

Lamping per head:

LED 6,2W (2700K / Ang. 120° / >90 CRI / 350mA) 120V / Typ* 725 lumens

*Integrated LED module (included).

Dimming options:

Standard: TRIAC

4. Functionality & Accessories

Versions and sizes available for projects. Consult our offices.

Possible combinations:

5. Photometric Data and Technical Information

Photometric data corresponds to the output of each individual lamp.
Access to photometric files in download area.

2D / 3D / BIM Files available. Access to files in download area here.

CIR_3825S 	Surface mounted. Driver in the canopy.	Black	Light Grey	CIR_3825S

7. Certifications & Standards

Warranty: 2 years
100% made in Spain

8. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
