Compass

floor lamp

1. Product overview

Floor lamp designed for reading, ambient, or accent lighting, delivering a direct and intense beam. Equipped with a push-button dimmer on the cord and a universal plug.

4078 version: The circular head rotates up to 145° horizontally, while the vertical stem features a fixed 5° inclination.

4079 version: The circular head rotates up to 180° vertically, making it ideal for both indirect lighting — highlighting the wall or ceiling — and direct illumination.

Warranty: 2 years

100% made in Spain

7. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
