

HeadHat Plate

Santa & Cole Team. 2013
Pendant lamps

Lampshades:

HeadHat Plate S

HeadHat Plate M

HeadHat Plate L

Canopy:

The HeadHat Plate pendant lamp has a polished metal shade that projects wide, glare-free lighting. The proportion of diffusion varies according to shade size. Available in three sizes; small, medium and large. The HeadLED system and its light capsule allows for a single capsule (head) to fit different shades (hats). Its interchangeable modular components and technology lend the intuitive HeadHat system products a long life cycle, good heat dissipation and a glare-free lighting experience.

General description:

Capsule with LED module, translucent white diffuser and heat sink with matte black finish.

White or tile red metallic shade with matte finish. Includes diffuser in white methacrylate.

5 metal circular canopy options with power supply incorporated:

Not dimmable (European version): white recessed or white or black surface-mounted canopy with matte finish.
