suspension lamp

1. Product overview

Metallic suspension lamp for accent or ambient lighting, featuring a circular metal shade with folded edges concealing the integrated LED strip to provide soft indirect illumination. Shade is completely independent of the support magnet and it can be mounted facing up, down or in any position even after installation. Adjustable height.

Recessed canopy option sits flush against the ceiling and requires a Ø60mm cut-out and a remote driver.

2. Finishes and Materials

Canopy: 74 White
91 Nude

Body: 74 White
91 Nude

3. Light Source & Dimming

Lamping

LED 19W (2700K / Ang. 120° / >80 CRI / 24V)

230V / Typ* 1800 lumens

*Integrated LED module (included).

Dimming options:

Standard: TRIAC

Optional: DALI, CASAMBI

Nude finish

5. Installation

Surface canopy

Recessed canopy with remote driver

 Ø 60 mm drill in
dropped ceiling

6. Functionality

Possible shapes: Its magnetic system allows the shade to be positioned facing up or facing down with ease after installation.

7. Recommended use & Installation height

Suitable for general lighting, as well as for direct illumination above dining tables, countertops, bars, or desks. We **recommend positioning** the light source approximately **85 cm above the surface**. For more accurate information, refer to the photometric report.

Recessed Canopy   $\frac{IP}{20}$  960° 

Surface Canopy   $\frac{IP}{20}$  960° 

Warranty: 2 years
100% made in Spain

10. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
