Nimba is the first lamp designed by Antoni Arola at the end of the 90s, as one of the first luminous halos on the market. It is a floating ring formed by a metal profile, and an inner shade that diffuses the light. The concept of an indoor, rather than an outdoor, shade was very innovative at the time. The lamp's name is inspired by "the nimbus or halo around holy images, which can be seen, but is not there". Nimba shines light on the centre of nowhere to radiate out in all directions.

Used as a single unit or in sequence, Nimba provides the perfect amount of soft light to create a mythical atmosphere, suitable for both transit spaces and secluded areas. The family features four LED lamp models in different diameters, seamlessly fusing simplicity and high-technology.

General description:

Stainless steel structure with natural.
White PVC lampshade.
Metallic circular canopy with power supply incorporated.
Suitable for Junction Box (American version).
Electric cable length: 5 m / 196.8"

Approximate weight (unpacked):

(A) Nimba 60: 7,4 kg / 16.3 lb
(B) Nimba 90: 9,5 kg / 20.9 lb
(C) Nimba 120: 12,6 kg / 27.8 lb
(D) Nimba 180: 17 kg / 37.5 lb

Technical information:

Dimmable light source included.
Built-in LED

(A) Rated input wattage: 45 W
Luminous flux: 1944 lm

(B) Rated input wattage: 65 W
Luminous flux: 2754 lm

(C) Rated input wattage: 95 W
Luminous flux: 3889 lm

(D) Rated input wattage: 140 W
Luminous flux: 5833 lm

(A, B, C, D)
Operating voltage: 24 VDC
CCT: 2.700 K
CRI: 90
Lifetime: 40.000 h

European version: suitable for dimming 1-10V / DALI. Not included external dimmer switch 1-10V / DALI.

American version: suitable for dimming 1-10V. Not included external dimmer switch 1-10V.

Suitable only for indoor use.

Non-replaceable light source.

Input voltage: 100 ~ 240 Vac.

(50 Hz / 60 Hz). According to destination.

Regulations:

European version
UNE-EN 60598
UNE-EN 55015
UNE-EN 62031
UNE-EN 61000-3-2
UNE-EN 60529
UNE-EN 61347-2-13

American version
Dry location only
UL-1598
UL-8750
E-336377

Maintenance:

Clean with a smooth cloth. Do not use ammonia, solvents or abrasive cleaning products.

Others:

The lamp is delivered in different packages.

The assembly instructions are delivered with the product.
